

# FIRST THE BOOK...

## NOW THE SHOW! FATHER GOOSE: A MUSIC, MAGIC AND FUN SHOW.

Mother Goose is well-known for fairy tales and nursery rhymes, but our Father Goose, Paul Odenwelder, tells the stories his own special way. He offers lots of kid participation, great music and some magic thrown in just for fun. The Father Goose Show brings these classic stories to life in a way that beats TV and computers for attention and encourages reading. Both Children and adults are charmed and amused.

Paul comes fully equipped with magic props, musical instruments, sound system and plenty of fun for a totally memorable event. He takes it from, “Once upon a time”... “to everyone lived happily ever after”, seamlessly. Move over Mother Goose. Father Goose is back.
