To Whom It May Concern:

I am writing this letter of thanks to Don Miller and FamilyTime Entertainment for the wonderful Water Show we had on Thursday June 24. The children and adults alike had a blast! Magic Don is just so wonderful with the children. They laughed so much at his silly ways.

The show was informative, and at the same time they were having so much fun getting wet. I very much recommend this show to other libraries or any school that is able to have such a show. We had approx. 300 children and adults attend the two shows. That is wonderful. Thank you again.

To Whom It May Concern:

I am writing this letter in recommendation of the two FamilyTime Entertainment shows we had this past spring. We had the "Peanuts Play Time" and "Dr. Seuss Shows".

These shows were wonderful. The children really had a good time learning about the Peanuts characters and Dr. Seuss. The performer was absolutely hilarious. In the Dr. Seuss show, the children were so excited about the show, they could be heard throughout the library. Normally you're supposed to be quiet in the library, but we love to hear this kind of laughter! The shows were educational and funny at the same time. The performer made the shows so much fun, and the kids were learning at the same time.

I very much recommend these shows to other libraries.

Thank you!
