

A Tribute To

Dr. Seuss

Dr. Seuss, one of America's greatest treasures, is the all time best selling preschool and primary school age author. Children everywhere simply love his books!

In Magic Don's show, *A Tribute to Dr. Seuss*, he puts a spotlight on the history of the man, his work, and his influence on how children learn to read. Magic Don does it all with wacky fun and amazing magic, mixed together with extra large helpings of green eggs and ham and some of Mr. Brown's favorite sounds.

The show is filled with facts and fun:

- Did you know that Dr. Seuss' first children's book was turned down over twenty times by publishers? He didn't give up.
- Did you know the *Big Secret* that Dr. Seuss is not his real name?
- Did you know Dr. Seuss owned a lighthouse?
- Did you know Dr. Seuss wrote *Green Eggs and Ham* on a bet, a challenge?
- Do you know who won a Pulitzer, an Oscar, an Emmy and Caldecott Awards?
- Do you know what unusual collection Dr. Seuss owned?

There's no one better to remind us of the genius and fun of Dr. Seuss than Magic Don.

Magic Don had two books that he loved and influenced his 2nd grade life, his copy of the new book *Green Eggs and Ham* and later that same year *The Cub Scout Book of Magic*. He still has them both.

After 40 years of performing, Magic Don brings his gentle humor and crazy antics together in this wonderful family show about a friend he first met in the 2nd grade, Dr. Seuss.
