FamilyTime Entertainment's—**THE WATER SHOW** is the most requested summer show in the mid-west with over 250 performances each year. All ages definitely remember the great fun they've had playing in the water; and **THE WATER SHOW** captures that fun for everyone all over again. Kids and adults alike smile, giggle, and laugh at **THE WATER SHOW**; and have a memorable, fun experience in this wacky and wild outdoor show. In **THE WATER SHOW**—everyone gets wet. It's full of magic, laughter, and audience participation.

## WATER SHOW REQUIREMENTS

- Kids in clothing to get wet—everyone gets really wet / Dry zone can be set up for those who do not want to get wet
- Two staff members to be in the show & really get wet with their clothes on; these staff members are a key part of the show and must follow directions or show can end abruptly
- Provide water hose with good pressure from water source to show performance location; we hook on to your water hose
- Temperature above 70 degrees
- Safe site location for the show
- Bad Weather: Indoor Alternative Show ( Entertainer will decide)

We still have availability for our valued clients! We have already booked over 100 shows for 2012.
