Reading is one of the most important skills a person can learn. "Reading is Magic" is a 45 minute show designed for K-6 grade students to instill within them the importance of reading. While enjoying the comedy and magic, students will learn that books can offer knowledge, entertainment, and a mental escape to anywhere in the Universe. Knowledge is power, and reading really is MAGIC!

Having performed for elementary schools nationwide, Allan has a wonderful ability to convey an entertaining message in a positive, upbeat manner. Both students and teachers are sure to enjoy "Reading is Magic".

*"That was GREAT! You were able to entertain and motivate our kids. They learned an important concept without a boring lecture. I would highly recommend 'Reading is Magic' to any school."*

*Jill Spinner, Teacher - Riverview School, Huntington, Indiana*
