Indianapolis, IN 46202

Dear Mr. King and Mr. Miller,

I would like to extend our sincere thanks for your superb performance at the grade school for the promotion of our Summer Reading Program *Superheroes – Powered by Books*.

Don Miller gave a quality performance that kept the kids and teachers laughing the whole time. The following week, I had the pleasure of visiting with each class and everyone had great memories to share from the show. One popular memory included the look on Skyler's face when his shoe got burned during a super power experiment. Many children were still claiming that they had the super power to make flames shoot out of the book and are asking if that book is available to borrow from our library.

We promote our Summer Reading Programs and give thanks to our sponsors through our library newsletter via an insert (see enclosed copy). This newsletter reaches close to 1200 homes. In addition, your sponsorship has been recognized on every Book Log that goes home with each child. (A copy of the back cover of the book log is also enclosed.)

I am looking forward to your Water Show on July 26 to celebrate our End of the Summer Party. The party will be held at the park in Atwood (1 block west of the grade school). There will be lunch provided after the show. You have been *super!* Thank you.

Sincerely,

Renee Brown
Programmer
