Dear Mr. King and Mr. Miller,

The children who attended the Water Show at the Atwood Park on Tuesday, July 26th really enjoyed themselves. You can see for yourself by the smiles on every face in the photos I've enclosed. It was particularly nice to see everyone gathering at the park in their swimsuits, especially in a town that does not have a swimming pool.

I enjoy Magic Don's sense of humor. Funny things just seem to roll off his tongue so quickly. I wish I had just a little bit of that *power* myself. I told Don that he was the "beginning" and the "end" of our Summer Reading Program. His *Superhero Show* in May helped to promote the program to close to 250 students while his *Water Show* was the big finale of the program for 20% of the targeted group. This is fantastic and we are very pleased.

If there is anything I can do for you to help promote either show, please let me know. We will definitely keep Family Time Entertainment in mind for future use.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Renee Brown".
