Dear Don:

The staff and students at Clinton Young Elementary School would like to take this opportunity to thank you for the wonderful program, "The Really Say No Show".

This show was very age appropriate and the kids loved it! You got the point across about how stupid drugs are in a fun and exciting way. I will definitely contact you in the future for other programs and will recommend your show to anyone I know who is in need of a great show.

Thanks again for a terrific performance! We all had a great time.

Sincerely,

Heather Evans
