

# Derek Dye Programs

Christian performer Derek Dye presents his signature show, 30-45 minutes of hilarious physical comedy with magic, juggling, balancing, stilts and *more!* Using his God given talent, Derek shares his faith and entertains his audience in a show full of laughter and excitement, which includes your choice of two of these powerful messages:

## *You Were Made By God!*

Derek explains creation and that each person is made in God's image, therefore special in his/her own way. Using balloons, magic, and manipulation, Derek illustrates the scripture. A fun message that is sure to keep your kids' attention!

## *Jesus, the Greatest Daredevil*

Derek illustrates some of the dangerous skills he performs, and discusses the injuries and fears he's had. He then goes on to show that even the most dangerous stunts are nothing compared to the pain and injury that Jesus experienced for us. Complete with a presentation of the gospel, this will amaze and challenge your own daredevils.

## *The Christian Walk*

Derek utilizes his own experience to discuss and illustrate what the Christian walk should, but doesn't always, look like. With an emphasis on having a personal relationship with Christ, growing in Him, and sharing that faith with others, Derek gives practical examples of how to strengthen your own Christian walk.

## *Evangelism*

A challenging message that will inspire even the strongest of Christians! Derek explains the importance of sharing our faith with others, and the impact that even one person can have when they trust God to work through them. Using illustrations that include magic, fire eating, and juggling, Derek challenges all Christians to stop waiting for perfection before evangelizing, and emphasizes that the time to share Christ is *now!*

## *Derek Dye...*

...is a performer who has been applauded and taken bows for his performances as the mascot for the Pittsburgh Pirates and New York Mets baseball teams, as a featured act at Kings Island Theme Park and for a wide range of corporate and family events. He learned the most important bow he takes everyday is the bowing down before God in prayer. As he shares his tremendous talents with others he does so with the support of his wife Jessica and his daughter Sydney. He'd like to share some laughter with a message with you.
