

HOLIDAY SHOW

Each year in December, families all over the world celebrate. Christmas, Hanukah, Kwanza and New Years all are times when we come together to share with families and friends. The Holiday Show reminds us of all the warm feelings and offers gifts of silly fun for everyone to enjoy.

This show features nationally known magician and comedian, "Magic Don" Miller with his amazing holiday themed magic with some snow covered comedy and colorful illusions. The fun starts as he brings audience volunteers to the stage. Kids love to help, and moms and dads love to see their kids having fun.

Children try to help Magic Don when he seemingly doesn't understand, "what's going on," and they giggle and laugh because they know what is happening better than the adult on stage. Children find nothing funnier than an adult in trouble. With some magical help from the children, everything works out in the end.

Here are some of the magical events that happen in the Holiday Show:

- Wrapping paper gets torn up, but with a wave of a wand and a magic word or two the scraps become a Santa Hat for the child to take home.
- A giant peppermint stick is used for a magic wand, but before you know it there are six wands where there was only one before.
- A Christmas stocking is empty but amazed children see that it is now filled to the top with holiday decorations.
- Magic Don claims that he too can tell who has been naughty or nice. Audience volunteers secretly pick some favorites pictures from some holiday flash cards. They are asked to think of the picture on the card. Magic Don draws what he knows they are thinking...proving his point. Lots of fun follows until at the end of the show a child from the audience actually floats in the air while dreaming of holiday toys.
- Warm hearted stories throughout the show weave the magic together with the spirit of the holiday season.

The Holiday Show can be crafted to meet your groups' needs. Emphasis on one holiday over another is easily done. The Holiday Show helps start all the holiday fun for young and old alike.
