To our friends at Family Time Entertainment:

I would like to thank you and Don Miller for making such exciting programs available for the library's use. Don has presented both "The Dr. Seuss Show" and "The Water Show" at the library during the past few months, and the response from our patrons was phenomenal! We had record numbers of patrons in attendance for both shows, and we have had many requests for his return.

Don's sense of humor is outstanding—both children and adults were screaming in laughter. A very audible moan emanated from the crowd at the end of each program—they didn't want the show to end! His professionalism was well received, his command of the audience was tremendous, and his material was hilarious. It was wonderful to provide this type of entertainment for our patrons and still tie it to literacy, and Don did a great job of making this happen.

We look forward to working with you again!

Thank you,

Julie Rihm
