Dear Don,

This letter is to express our heartfelt thanks for your recent contribution to the Owen County Public Library Summer Reading Programs. Both the Children's and Teen Programs had a much larger number of participants this year. In the Children's Program, there were 408 participants completing a total of 341,526 pages read. In 2003, there were 152 participants reading 157,056 pages. In the Teen Program, there were 81 participants completing a total of 107,099 pages read. The previous summer, 31 teens read 79,88 pages. These increases reflect Owen County's commitment to literacy, a growth that we sincerely hope will be reflected by increased school scores and the desire for lifelong learning.

Strong community support makes it possible for the Owen County Public Library to reach out to children and families. We tried hard to make sure your name or that of your company was publicized to members of the community as a believer in the youth of our county and in the importance of literacy. Your support, whether in the form of a program, or financial, was important and greatly appreciated!

Sincerely,

*Ginny Coppedge*

Don,

*You were the biggest hit of the summer.  
Will definitely be calling you again!  
B.C.*
