Dear Mr. King:

Just a short note to tell you how much the children and adults, who are participating in the Princeton Public Library's Summer Reading Program, enjoyed The Dr. Seuss Show performed by Don Miller. We had 279 in attendance and Don was able to keep their attention for the hour-long program. The audience was captivated and inspired by Don's reading of *Green Eggs and Ham* and *Mr. Brown Can Moo! Can You?* as well as his magic tricks and comedy throughout the performance.

Thank you for providing a fun-filled program suitable for children and adults.

Sincerely,

Betty Montgomery
Program/Marketing Coordinator
